Following our performance, we will need to collect **FOLIOS** for our trip to Carowinds. Section leaders need to make sure to get ALL of the performance folios for your section at the end of the concert and give these to OWEN so that they can be packed in the folio box. We will also need everyone to line up their instrument so that we can make sure it is packed on the busses.

Percussion will need to PACK UP the percussion instruments that we need to take with us following the concert so that we do not have to come earlier on Saturday morning to pack these things.
