Symphonic/Concert Band Spring Trip Update

We are still hoping to receive final approval for the trip to Disney World 3/30-4/3. However, WCPSS has not yet approved overnight trips. Since the trip has not been approved yet, the LRHS Bands Board voted to postpone collecting any more trip payments until at least February 3. If this trip is not approved, students from all 3 bands who turned in a trip commitment form will attend "Music in the Parks" at Carowinds on May 7. The down payment for all 3 trips was due December 3.

Attention students who assembled and/or delivered luminaries!

A key was found in one of the delivered luminary bags. Please contact Emily Wegmann (emilywegmann@gmail.com) or Susan Davis (suebee70@outlook.com) if you think you may have lost a key when assembling or delivering luminaries in December.

Capital Campaign 2021-22:

Please consider donating to the LRHS Band through our [Capital Campaign](#). Our primary goal this year is to raise enough money to make much needed updates to the 30-year old sound system in the band room. Donate by February 28 in order to be recognized in our MPA Festival Concert program. Make the most of your donation with a corporate matching gift!

Private Lessons:

Private Teachers are for students that would like one-on-one individualized instruction.

With classes as large as Ms. Montgomery has, she can't provide the individual instruction that students could receive in a private lesson. Private lessons are not only for students that are struggling. They are for students of any ability level. If you are interested in making honor groups like All-District or All-State in the future, consistent weekly lessons are almost a must. Most lessons would be 30 minutes once a week. [Here is a list of recommended Private Instructors.](#) If you have questions about who might be a good fit for you, please don't hesitate to ask Ms. Montgomery.
